Cultural Activity at Manav Mandir

On January 09, 2021 volunteers from Shoolini University went to IAMD Manav mandir. The volunteers organized fun and games with the patients who were suffering from muscular

dystrophy and had come to Manav mandir for treatment. The volunteers had taken some fruits and chocolates with them for the children suffering from muscular dystrophy. The volunteers put a live show with a storyline where volunteers and children had to act according to the role given to them. Mr. Ankur Saxena Bashar from Shoolini University acted as a lion and the children acted like the fighters. The children looked very excited and were very passionate performing the roles given to them. Post this show, pastries and patties were distributed amongst all and everyone enjoyed having them. A vote of thanks was extended to all the volunteers by Mr. Vipul Goyal from IAMD Manav mandir. A total of 26 volunteers participated in this event.

Social Activity at Manav Mandir

In 4th week of January 2021, the volunteers from Shoolini University volunteered at IAMD Manav mandir. During these days volunteers designed the walls of the IAMD building with their creative art. The volunteers were very excited and passionate for the cause. The volunteers did an amazing show of the paintings of trees and birds and various designs on the wall. The art and creativity done by volunteers were deeply appreciated by Mr. Vipul Goyal, Ms. Sanjana Goyal and all the staff of the IAMD Manav Mandir, Solan. On all these days, the volunteers spent their evenings with the muscular dystrophy patients. They arranged fun and games for them which were enjoyed by everyone present out there. The volunteers set up a singing show where everybody got chance to sing. Mr. Vipul Goyal & Mr. Ankur Saxena Bashar were the centre of attraction for the singing activity. A total of 24 volunteers volunteered for this activity.

A Guru Talk with Sarabjeet Singh on World Cancer Day

World cancer day was celebrated on February 04, 2021. A guru talk featuring Sarabjeet Singh (Vella bobby) was organized. Popularly known as "Vella Bobby" or 'Bobby Ji', Sarbjeet Singh has been working to uplift and serve the underprivileged people of Himachal Pradesh for years. In this talk he shared how has been helping humanity for years selflessly. At a time when even paid drivers were not keen on doing it, this good Samaritan volunteered to drive dead body van free of cost for the poor. For the last 10 years, he has also been organizing blood donation camps for hospitals, and a couple of years ago, he has started a free canteen for cancer patients and their attendants at Shimla's only cancer hospital. He motivated the audience how small an act of kindness may be but leads to a big help to humanity if done by everyone. He gave the example of how donation of 1 or 2 "Roti" from the homes of Shimla town lead collection to 2000 of "Rotis" per day to feed the cancer patients and their attendees from cancer ward, IGMC Shimla. This talk made audience to realize & motivate about what their service can bring a change in the society. The audience of more than 810 in numbers listened to this talk.

A cleanathon with Healing Himalayas

On March 07, 2021 a cleanathon was conducted at Potter Hills, Shimla. This cleanathon took place in collaboration with Healing Himalayas foundation. "Healing Himalayas" is a dedicated organisation, working selflessly for protection and preservation of the Himalayas by cleaning the waste plastic out from Himalayas. The cleanathon started with the formal address by Healing Himalayas founder, Pradeep Sangwan. He shared his journey to form Healing Himalayas foundation and how this foundation has cleaned more than 8 hundred tons of plastic from the Himalayas. He shared how Healing Himalayas is planning to proceed further in future. The cleanathon started from Railway station Shimla and cleaned an area of approximately 5KMs. Quintals of waste plastic was collected and was handed over to the garbage processing unit, Shimla. A total of 84 student volunteers and 3 teachers took part in this cleanathon.

“Can Survive – A Ray of Hope” A play on breast cancer on Women’s Day

The Shoolini University’s creative studio staged a play “can survive- A ray of hope” based on intimate journey of two women after being diagnosed with breast cancer. The two women, belonging to different backgrounds, were depicted fighting for their lives, both physically and mentally, and showcasing complications of not just cancer but that of human relationships as well. Written by Asif Ali Haider khan, it was directed by Ankur Bashar, assistant professor performing arts, Shoolini University. Bashar said the play touches upon the problems of women, how they fight these, and emerge as heroes. It was inaugurated by the chancellor prof. PK Khosla and vice-chancellor prof. Atul Khosla. The total of 2 shows of the play were shown on March 08 and 09, 2021. A total of more than 420 students witnessed the show for two consecutive days.

NIC Camp in Rajasthan

NIC camp was organized at S.S. Jain Subodh P.G. College Jaipur, Rajasthan from 20th to 26th march, 2021. The camp lasted for a week from 20th March 2021 to 26th March 2021 with over 200 students from 14 different states and union territories in India. The camp started with the onset of lamp lighting ceremony by our honorable guests Dr. SP Bhatnagar (NSS regional director, Rajasthan). The cultural evening by spiritual dance form Ganesh Vandana by the team Rajasthan followed by many of the Rajasthani folk dances, such as Ghoomar (one of the popular traditional dances of Rajasthan). With the ongoing situation all over the country, the respective team came with the idea of presenting a stage play on the topic “Suicide is not a solution” today's situation has worsened the condition of people across India, since the covid factor has risen in India 2020, by maintaining the social distance. So, the basic act was to refreshen the heart and minds of people by being together in any worse situation. On 2nd day, blissful traditional Nati of Himachal Pradesh, Punjabi bhangra, Jhomar by team Jharkhand and Gujrati Garba. This way the respective states showcased their culture. On 3rd day, we had a seminar with Mr. Gaurav Sharma, the founder director of camp India adventures and youngest civilian from Rajasthan who climbed the world's highest mount Everest, on the topic “Youth adventure”. On 4th day, we had seminar on “Information on covid -19 new vaccine” by UNICEF team followed by Mr. Nizamuddin. On 5th day, the session was started by Kapil Anand (NSS awardee), Mr. Mohammed Adil (NSS awardee), Mr. Anshul Gaur (NSS awardee 2016), Bulbul Pathak (NSS awardee 2019) and Dr. Ritu Mehta (NSS PO of Bhavani Niketan Maha Vidyalaya).

Book Reading Event

A book reading event was organized on April 01, 2021. International children's book reading day is celebrated as Hans Christian Andersen's birthday on April 2. Hans Christian Andersen, in Denmark, was a Danish author. Although a prolific writer of plays, travelogues, novels, and poems, he is best remembered for his fairy tales. In the event, we had chapter reading of Dr Khosla's book by our students. A total of 6 students and teachers read excerpts from the chapters of childhood from the book of Dr. Khosla, "Tryst with Karma" after that honorable chancellor of Shoolini University, Dr. Khosla gave his views about his childhood memories of his mother and the strong influence she had on him. He also discussed the partition of then India, and the pain people went through and the impact it had on his childhood. This activity was well attended by deans, faculty members and students at the university. A total of more than 660 people witnessed this activity.

YouWeCan bikers visit for "Mission 1000 Beds"

National cricket hero and cancer survivor Yuvraj Singh's two super fans from Kerala reached Shoolini University on July 09, 2021 on bike to create awareness about his foundation's "Mission 1000 beds" to fight covid. The riders initiated their trip on July 5 and had planned their trip up to Leh and Ladakh. The two bikers, Ashkar and Safeer, hail from Kerala and have self-funded the whole tour and the awareness programme. Ashkar works as a promoter of Panasonic in Dubai and is on vacation currently, so he decided to utilise the time and thank the doctors and the volunteers who have been supporting Yuvraj Singh's YouWeCan foundation. The two riders also have an organisation registered as "YouWeians Kerala". Travelling across various states, Safeer said it was a lifetime experience. Shoolini University's YouWeCan volunteers welcomed them at the university for a thorough interaction and support them for the same. The two bikers briefed the volunteers about the initiative by Yuvraj Singh foundation where they are on a mission to provide 1000 beds across the country to fight covid and other medical emergencies. Both the riders had a wonderful experience at the university, upon meeting VC prof Atul Khosla, and taking a campus tour, they proceeded for their trip onwards. Prof. Khosla wished them a safe journey ahead and wish them all the very best for their awareness programme. A total of 24 volunteers attended this activity.
